POCKET DOOR SYSTEMS

A pocket door system that enables your doors to slide conveniently into a wall cavity, save space, whilst looking incredibly stylish!

Easy to install pocket door kit with a rigid frame, our pocket door systems are supplied pre-assembled so that they can be fitted in half the time of other brands.

Available for both single and double door situations in a selection of sizes, almost all of JB Kind's internal doors are suitable for use as a sliding pocket door. You can also choose from a selection of pocket door accessories too!

Trade terms apply to discounted prices. Offer ends 31/12/2017. Some products are to order.
